Raed Mohammad Al-Takrouri

Amman, Jordan | Date of Birth: 19 August 1970

PROFESSIONAL PROFILE

Co-Founding Partner and Chief Executive Officer of Al-Behar Group of Companies for Trading and Industry, with over 25 years of leadership experience in managing commercial and industrial businesses, developing strategies, and driving growth and expansion in regional and international markets.

I have contributed to strengthening the Group's position and expanding its presence across multiple sectors within global supply chains by establishing sustainable strategic partnerships, developing business operations, and enhancing operational efficiency.

I began my professional career by holding various managerial and leadership positions in regional industrial and commercial companies before moving on to establish the Group and lead its growth and expansion.

In addition to my executive responsibilities, I contribute to economic, industrial, and community development through my membership on the Boards of Directors of the Amman Chamber of Industry, Khalil Al-Rahman Charity Association, and the Orphans Funds Development Foundation.

I am also a member of the Jordanian Businessmen Association and the Amman Chamber of Commerce, and have been a member of the Jordan Engineers Association since 1993.
